

Message from The Principal

“Education is the most powerful weapon which you can use to change them world”

– Nelson mandela

Welcome to Dhwarkesh Vidyashram International School,

(A Proposed CBSE & IGCSE school)

Situated at the very heart of this religious city of 1000 temples Kanchipuram, the DVIS community is warm and friendly and offers the highest standards of pastoral care. Having developed its reputation for high quality holistic education over more than a quarter of a century, today’s school has more than 120 students aged 3-13, representing all areas of Kanchipuram.

The school is to be affiliated with CBSE-New Delhi and IGCSE-U.K. This is an inclusive school, but academic standards are high. The CBSE-New Delhi and IGCSE-U.K. provides the basis for smooth progression and easy transition between the Primary and Secondary sectors, and school examination results have been outstanding in recent years. Our experienced teachers are consummate professionals who are always willing to go the extra mile to ensure that all students are offered the opportunity to fulfil their potential both in and beyond the classroom. The result is that, whether they are returning to continue their education in their home country, moving on to another international school or seeking places at top universities around the world, BST students are invariably well-equipped to take the next step in their education.

We are justifiably proud of our academic performance but, with our definitive *Indian & BRITISH* attributes underpinning all that we do, education here means so much more than the pursuit of top grades. Sport and the arts, community service and adventurous activity are all central to the balanced programme we offer at DVS, and we are acutely aware of our obligation to prepare young people to make their way in the world as confident, caring and responsible citizens.

Good schools are built on the efforts of good people, and I believe that our teachers and students are among the very best. Why not come and judge for yourselves? We would be delighted to meet you.

Background information on head of School:

Mr. Manmohan Tuli, did his schooling from DAV school located in Punjab. He is a graduate in Humanities from the oldest college of Punjab i.e. Baring Union Christian College Batala-Punjab under G.D.D.
